F20 CLIMATE SOLUTIONS FORUM

The F20 Climate Solutions Forum is the annual flagship event taking place prior to the G20 Summit.

About

Under the theme of **“Renewable Energy and Shifting the Trillions: Making the transition to a net zero world a reality”** the [Foundations Platform F20](#) will host its annual signature event in close collaboration with [The Habibie Center](#) on **September 7th** in Jakarta, Indonesia. The event is planned to be held **back-to-back with The Good Times Summit 2022** on **September 8th**.

The F20 Climate Solutions Forum 2022 is co-hosted by the Indonesian partner foundations [Bina Swadaya](#), [Wahid Foundation](#) and [Yayasan Dharma Bhakti Astra \(YDBA\) Foundation](#) and supported by [Filantropi Indonesia](#). The F20 Climate Solutions Forum will take place in Jakarta prior to the G20 Summit hosted by Indonesia in November 2022. It will have a strong hybrid component to include international speakers and experts and aims to welcome a global audience at its virtual venue.

As for the overall structure of the event, there will be a high-level segment and panel discussions at two thematical focus-areas which are

- (1) **Renewable Energy and Green Hydrogen - Making Net Zero a Race to the Top**
- (2) **Sustainable Finance - Accelerating steep investments and new financing tools**

The guiding question of this year's F20 flagship event will be how to galvanise most actionable outcomes and increase mutual understanding of solutions for a climate-safe and just transformation?

Taking into account the multiple benefits of a cross-sectoral approach, each block will assemble stakeholders from politics and government, foundations and civil society organisations, G20 Engagement Groups and climate tech-oriented start-ups to embark on future-proof pathways.
